## Personal Style

How are you energized?

Task vs. People – Are you more energized by accomplishing goals or maintaining relationships?

How are you organized?

Structured vs. Unstructured – Do you prefer to be organized by general or specific guidelines? Are you spontaneous or a planner?

*There are four combinations for your personal style: Task-Unstructured, Task-Structured, People-Unstructured, and People-Structured. Write in your style combination in the space on the other side.*

## Ministry Passion

Ministry passion is a heartfelt desire that compels us to make a difference for the kingdom of God.

What are some positive experiences you have had in your life and why are those experiences meaningful? What are some recurring themes from those experiences? Are there any people groups you are passionate about?

Passion Categories: Celebration Ministries, Outreach Ministries, Connecting Ministries, Equipping Ministries, Caring Ministries, Supporting.

*Write your passion and passion category in the space on the other side.*
